

Welcome to St. Rose School

Welcome to St. Rose School Providing quality Catholic education for over 50 years. ValuesThe values taught enhance our students' minds and enrich their souls. We work hard not only to produce quality students but quality individuals as well. Parents know that the Christian values they have taught at home are reinforced at school. St. Rose students become well-rounded individuals. Students take on active roles in weekly masses. Students visit Embassy Care, a home for the elderly. They also visit Trinity, a group of homes for mentally handicapped adults. Finally, St. Rose students routinely undertake service projects for the community. TraditionSt. Rose has a rich history of students who excel. Since 1947, our graduates have earned degrees from many fine universities and continued on to prestigious careers. Additionally, three of our current teachers are St. Rose graduates. Our graduates are not just alumni; they are family. Many current students are the children, and even the grandchildren of former students. AcademicsQuality, experienced teachers are the catalyst for our excellence in education.
